

Camp Love & Learn

Position title: Math Specialist

Reports to: Camp Director

Direct reports: none

Position Summary: This position is responsible for the planning and implementation of the Camp Love & Learn summer Math program which serves a pool of diverse learners

- Plan and oversee the implementation of math curriculum including pre-camp and post-camp math assessments
- Assist teachers in incorporating materials, data, and initiatives that support increasing children achievement and raising test scores
- Model math lessons and assist teachers in implementing grade appropriate math learning strategies
- Identify children in need of additional instruction and establish a schedule to provide targeted, individual and/or small group, instruction
- Serve as a resource in the area of math instruction and assessment for teachers and Camp Supervisor
- Analyze assessment results and prepare a written report indicating pre-camp and post-camp results specifying individual children, grade levels, and overall math results
- Input assessment results in the camp's data management system
- Implement camp behavior plan to be adhered to by all staff and volunteers
- Perform other duties and responsibilities as assigned

Qualifications: The ideal candidate will possess the following minimum qualifications....

- Bachelor's degree/Master's degree preferred, in math, education, or related field.
- Must possess a valid teacher's license for either K-5/K-6 or Middle Grades 4-8
- 5 years classroom experience as an elementary and/or Middle school Math teacher
- Experience in curriculum development
- Excellent classroom management skills
- Interest in working collaboratively with an energized, committed, and creative team
- Strong organizational skills
- Sensitive to and understanding of the needs of diverse learners
- Excellent computer, written and verbal communication skills
- Bi-lingual (Spanish) highly desired
- VIRTUS trained (training will be provided)
